### Merry Christmas and Happy Hanukah!

According to an article in Time, in October, "President Trump defended what he described as America's spiritual bedrock in [an impassioned speech](#) to conservative voters in Washington on Friday, pledging to "stop all attacks on our Judeo-Christian values." Mr. Trump was the first sitting president to address the [Values Voter Summit](#), a yearly symposium of socially conservative leaders and voters who aim "to preserve the bedrock values of traditional marriage, religious liberty, sanctity of life, and limited government that make our nation strong." The article continued to say, "Under his presidency, Trump promised, "we're saying Merry Christmas again! Our values will endure. Our nation will thrive. Our citizens will flourish, and our freedom will triumph." "

But, I am not sure that everyone is getting the message. I watched the Macy's Thanksgiving Day Parade, there were a lot of dancers and singers, but song after song no Christmas Carols or any reference to Christmas in general. The cartoon balloons were timely and the Marching Bands were entertaining but still nothing to do with Christmas at all! Santa Claus did show up at the end, but that was just about the only reference to the Holiday.

So, it may take another couple of years to get back to putting even secular references back into Christmas. And let's not forget Hanukah! The Celebration of Lights, another religious observance pushed aside. Of course, it will be up to us. The same Conservative Republicans that elected Mr. Trump, to let the retailers and the media know that we are taking back Christmas as a Christian Celebration and putting the Lamp of Candles out for Hanukah. And we welcome any all that want to celebrate Peace, Joy and Love with us.

Wishing you all Very Merry Christmas and a Happy Hanukah!

Bernadette Anthony

So, I guess it is safe to say Merry Christmas again!

Bernadette Anthony

*"On Christmas, we celebrate the birth of Christ with prayer, feasting, and great merriment. But, most of all, we experience it in our hearts. For, more than just a day, Christmas is a state of mind. It is found throughout the year whenever faith overcomes doubt, hope conquers despair, and love triumphs over hate. It is present when men of any creed bring love and understanding to the hearts of their fellow man. The feeling is seen in the wondrous faces of children and in the hopeful eyes of the aged. It overflows the hearts of cheerful givers and the souls."  
— Ronald Reagan Christmas Message 1981*

**ARW Presents  
Mr. John Grady**  
With the influence of the current music trends, it is always enjoyable to spend time listening to the American Songbook! The sounds of Sinatra, Martin, Bennett, Cole, and the other famous singers of that period. Songs that bring back memories of a simpler time!  
John Grady's memories go back to age 5 when he would lip synch Sinatra songs to his Mother while wearing his Sunday school hat and suit! John's passion of this music is undeniable, and it comes through with his performances. John has been a businessman in Las Vegas for the past 37 plus years and started pursuing his passion for entertaining over seven years ago. By the way, John is a registered Republican!
