Our Mission

Active Republican Women (ARW) of Las Vegas Nevada is a women's political organization, bringing together women to positively impact the direction of our state and our nation.

We come together as a collective force advancing the Republican Party and women through political access and participation.

What a fantastic end to my term in office! Two years ago, I came into office at a very down time for our nation and for our club. We, Republicans, had many disappointing years politically speaking. Our nation had been pretty much kicked in the stomach by our President both at home and abroad. Leaving all of us very down and in despair about the future.

Two years later - what a difference. We have hope and joy anticipating all the "positive" to look forward to. We have been rejuvenated by our President Elect, Donald J. Trump and the idea of making America great again!

Our club has not only survived but has grown into the most active republican women's club in Las Vegas. Everyone is happy! ARW has been seen and heard throughout the county and the state and is admired and recognized by name, club or state uniform and friendly attitude. We are now sisters with the other Nevada Federation Clubs and the National Federation.

Folks can depend on ARW for help and support in various community projects and of course - candidates and their elections. As Ronald Reagan said "It can be done"! None of this would have been possible without the joint efforts of our elected Board Members: 1st Vice President - Alice Shillock Clark, 2nd Vice President - Kristine Fisher (1st yr) Martha Kimpel and Eleanor Mills (2nd yr) Recording Secretary - Marty Wright and Tina Larsen - Treasurer - Judy Kelly, Assistant - Kate Kelly

"Love is Reflected in Love"

If you know of a club member or close family member who is ill or is going thru a difficult time...Please let us know! We would like to send a card of strength and encouragement.

We continue prayers for Bob Clark and Sonny Reeder.

We also want to hear "Positive News": a new job promotion, raise, family additions, etc. We want to share your happiness! Hearing good news gives us all an up-lift! For example....

Maureen Karas, ARW past president, pulled an "all-nighter" election night working at Trump Headquarters, Las Vegas. Mo stated, "They just kept coming through the door *all night long!!!*"

Crisann Reilly-Conroy also worked election night--*two different voting locations across town--going where she was needed*. Crisann said she was proud to represent ARW and she has some great stories on election night enforcing election rules!
