President's Message

I am honored and humbled to have been chosen to be your President for the next two years. As your past treasurer, I have been attending the monthly board meetings, which has been a learning experience. I have also been fortunate to get the chance to meet our members at the check in table. ARW has a wonderful group of women and men who attend our meetings.

I have been giving much thought to my administrations goals and have met with the executive board several times and we are in contact with each other frequently. Kimberly, Trish, Peggy and Natalie are all exceptional women and bring a variety of talents, skills and ideas to the table. We are truly fortunate that they are committed and dedicated to ARW. We promise to treat all members with KINDNESS.

One of my goals for the board is to set an example of UNITY wherein we enjoy working with each other. We must RESPECT and SUPPORT each other's talents and skills which will enable the board to achieve fulfillment and a sense of pride in our work.

Another goal will be to CREATE A STRONGER BOND WITH OUR MEMBERS. We will discuss that at the retreat with the goal of making ARW even more attractive so that our membership will grow.

In the upcoming year we will aim high to attain our goals and encourage volunteers to get involved in some of the new programs we will present at the retreat.

Respectfully,

Cristina Cimino

ARW 1st Vice President, Kimberly Fergus

My mission statement is to help our President make her VISION a reality

As your 1st Vice President, my main responsibility is to bring creativity and a diverse variety of speakers to our meetings. Our meetings will be fun, informative and exciting. We will have knowledgeable speakers, debates and sometimes even mysterious guests. Our goal is for each member to feel involved and so energized that they will come back to each of our meetings.

ARW will set its self apart from other clubs. As I communicate with the other program coordinators, my planning will be to not repeat the same speakers as other clubs the same month. Some meetings will be themed with only one guest speaker.

Unity is the key to success, our goal is to make the word "ACTIVE" a reality!

"Belong to a great organization who wants to turn Nevada RED Again!"

Bring your friends!

ARW of Las Vegas

Active Republican Women (ARW) of Las Vegas is a women's political organization, bringing together women to positively impact the direction of our state and our nation. We come together as a collective force advancing the Republican Party and women through political access and participation. We ARE Dedicated to Republican Party Value We RESPOND to the need of our State & Country

From our new Secretary, Natalie Stokes

Dear Ladies of ARW: It is wonderful to be a part of this amazing group of dedicated women sharing views of today's politics. While most members have attended ARW meetings for years, I am new to the Group. Therefore, I hope to learn about ARW procedures and about ARW community service as other members share their experiences with me. I live in Summerlin with my three kids and my husband, Adam. I am the secretary for the Republican Women of Southern Nevada political action committee (PAC). Like ARW, the PAC is also a wonderful group for political education and gatherings for discussing Nevada and national political issues. To be clear, my primary job here at ARW is to disseminate to you accurate meeting minutes in a timely manner. Although not my official duty to do so, I also aspire to attract more millennial age membership for our Group. Since we are now in a quiet period with minimal elections happening, I hope to see our members increase our philanthropic contribution to our City. Perhaps we can also work to support military families and veterans. I am excited about the new and fun ideas the new ARW board has in store for the future of our Group.

Yours Truly,
Natalie Stokes

Treasurer's Report

My name is Peggy Brandt and I'd like to thank you for the opportunity to be Treasurer for this wonderful organization. I have owned my business and know the importance of keeping track of the financial flow. I feel it's even more important to pay a attention to details knowing that the funds that come to us and go out to our projects are given from the heart. I feel that under these circumstances, it will up to me to keep the members of ARW informed about the health of our accounts. I am happily ready to do the best that I can. Peggy Brandt
